General Information

WELCOME AND RECEPTION

Regen Lab will greet its guests in Venice with a welcome cocktail on 25th September from 18:00 to 20:00. This will take place in its new office in Venice at Autorità Portuale di Venezia, Fabbricato 11.

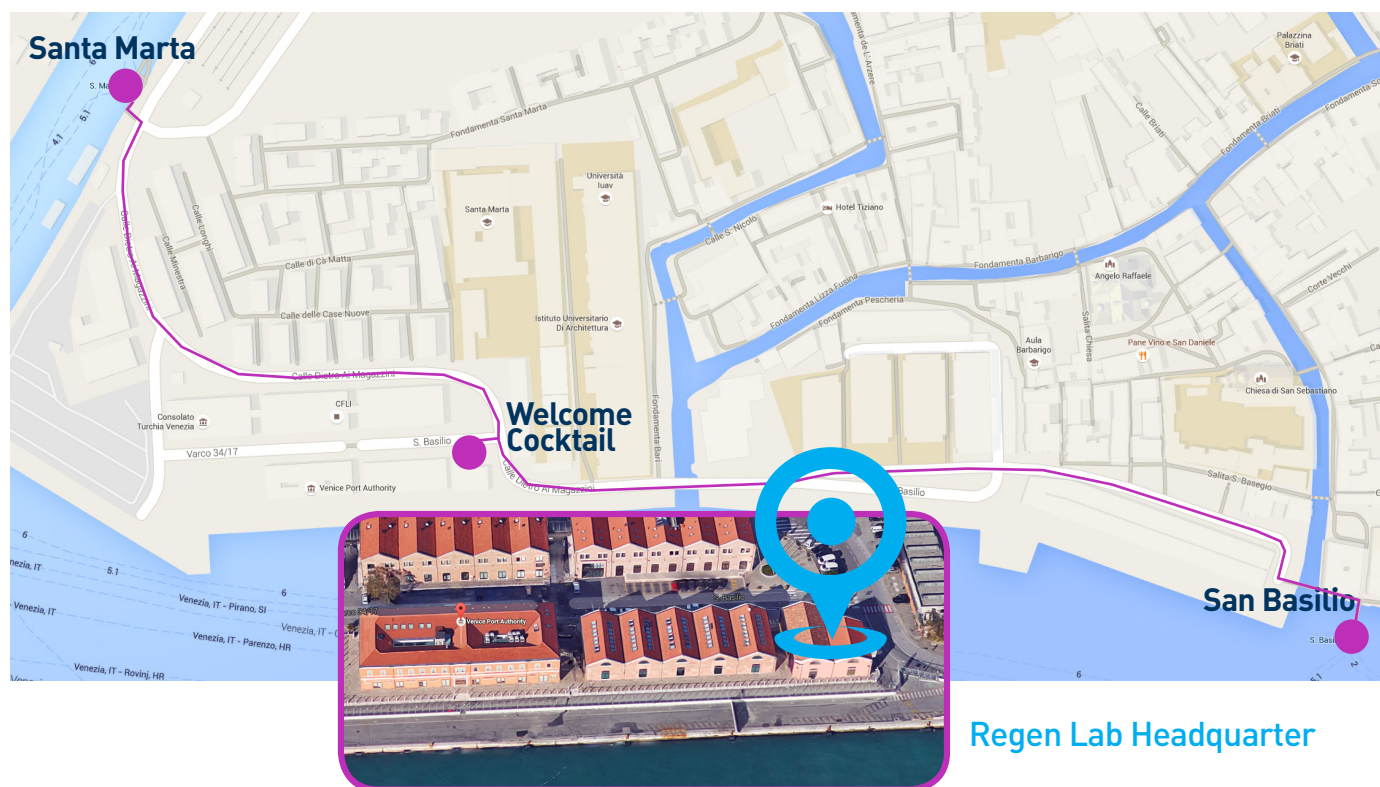

REGEN LAB VENICE — San Basilio, 11 — 30135, Venice — Italy

At the welcome cocktail participants will receive the badges which will give them access to the 2016 BioBridge Conference. It is crucial that participants pre-register for the conference through the online registration at www.biobridge-event.com in order to receive their badges.

It will be possible to reach the welcome cocktail by boat from:

- San Basilio stop (red line 2 or green line 5.1 and 5.2)
- Santa Marta stop (green line 5.1 and 5.2 or purple line 4.1 and 4.2)

You can find information to help you organize your trip on the following website: <http://muoversi.venezia.it/en>

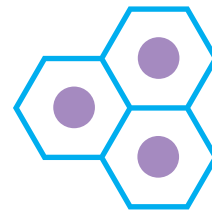

THE CONGRESS VENUE:

Located on the Island of San Giorgio Maggiore in Venice, Italy, the Giorgio Cini Foundation in the magnificent setting of St Mark's basin becomes a perfect location to take advantage of both our International Conference and your journey.

In only five minutes of boat from San Giorgio Maggiore you can discover the famous St Mark's square, a mixture of spaces, volumes and styles.

General Information

ABOUT YOUR STAY:

Regen Lab will take in charge your accommodation. Rooms have been booked in nice and comfortable hotels located around the Island of San Giorgio Maggiore (St Mark, Giudecca, Dorsoduro and Cannaregio).
